

Food containers & cling film

Factory direct manufacturer · OEM / ODM service

商丘宜沅新材料有限公司 / **Shangqiu Yiyuan New Materials Co., Ltd.**

Food-contact packaging for wholesale, catering, supermarket and retail supply.

Company profile

About us

We manufacture cling film and disposable PP food containers. Complete production lines, quality control and stable supply support packaging requirements for the catering, supermarket, retail and wholesale industries.

Factory advantages

- Direct factory pricing
- Food-grade materials for food contact
- OEM dimensions, logo printing and custom packaging
- Stable production and delivery support
- Product documents and sample support

Quality & certification support

The source catalog lists Food Grade Safety Test, FDA / LFGB / EU food-contact requirements, ISO quality management and RoHS environmental requirements. Request the applicable documentation for the selected product and destination market.

Contents	Section
3	Cling film series
4-5	Disposable PP food container series
6	Customization, order terms and contact

Cling film series

Food-grade material, high stretch and adhesion. Suitable for household, restaurant, hotel and supermarket packaging.

Item	Specification
Material	Food-grade PVC (聚氯乙烯, polyvinyl chloride)
Width / length	Custom dimensions available
Thickness	Customizable in micrometres (μm)
Feature	High toughness and tight cling
MOQ (最小起订量)	Negotiable
Packaging	Color box / neutral box / custom packaging

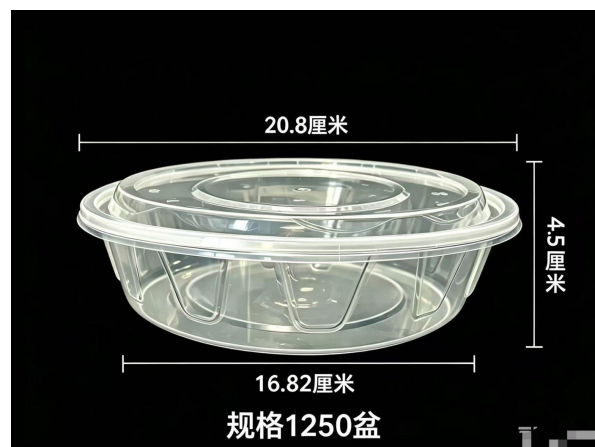

Disposable PP food containers

Food-grade PP (聚丙烯, polypropylene), high transparency and durable construction. Leak-resistant, stackable, microwave and freezer suitable, disposable and recyclable. Intended for takeaway, catering and food storage.

Container specifications

Item	Specification
Material	Food-grade PP (聚丙烯, polypropylene)
Size / capacity	Multiple sizes available; photos show selected models
Compartments	1 / 2 / 3 / 4 / 5 compartments
Feature	Tight-fitting lid, leak resistance, stackability and sturdy construction

Customization & ordering

Service	Options
Size	Film width / length; container size / capacity
Logo printing	Customer branding on box or outer carton
Packaging	Custom color boxes and outer packaging
Formula	Hardness, thickness and transparency adjustments
OEM / ODM	Original Equipment Manufacturing (原始设备制造) / Original Design Manufacturing (原始设计制造)

Order terms

Samples	Free samples; supplier bears shipping cost (as stated in source catalog)
Lead time	According to order quantity
Shipping port	Main ports in China
MOQ (最小起订量)	Flexible for trial orders
